

**RESOLUTION
OF
THE VISTAS AT NOR'WOOD TOWNHOME ASSOCIATION, INC.
REGARDING Document Retention and Destruction Policy**

SUBJECT: Document Retention and Destruction

PURPOSE: To adopt a Document Retention and Destruction Policy

AUTHORITY: Colorado Law

EFFECTIVE

DATE: March 15, 2018 *The Policy entitled "Document Retention and Destruction Policy" effective October 2014 is hereby rescinded and replaced.*

RESOLUTION: The following resolution has been adopted by the Association pursuant to Colorado law, the Declaration of Covenants, Conditions and Restrictions of The Vistas at Nor'wood Townhomes and the Bylaws of the Association at a regular meeting of the Board of Directors.

SECTION 1
Introduction

1.1 **Scope**

This Document Retention and Destruction Policy applies to The Vistas at Nor'wood Townhome Association, Inc. (hereinafter the "Association"), the Association Manager (if any), and the Association's Board of Directors. The documents maintained by the Association's legal counsel are not subject to this Document Retention and Destruction Policy.

1.2 **Purpose**

This Document Retention and Destruction Policy is created to establish guidelines for identifying, retaining, storing, protecting and disposing of the Association's Documents (the "Documents"). This Document Retention and Destruction Policy is necessary to ensure that the Association conducts itself in a cost-effective manner while also adhering to legal and business requirements.

1.3 **Policy**

A. It is the Association's policy to maintain complete and accurate Documents. Documents are to be retained for the period of their immediate use unless longer retention is required for historical reference, contractual or legal requirements, or for other purposes as set forth in this Document Retention and Destruction Policy.

B. Documents that are no longer required or have satisfied their recommended period of retention are to be destroyed in an appropriate manner.

C. The Association Manager (if any) is responsible for ensuring that Documents within his or her area of assigned responsibility are identified, retained, stored, protected and subsequently disposed of, in accordance with the guidelines set forth in this Document Retention and Destruction Policy.

1.4 **Compliance**

This Document Retention and Destruction Policy is not intended to be all inclusive, and accordingly must be tailored to meet the specific needs of the Association. The retention periods set forth herein are guidelines based on the current retention periods set forth in federal, state, and local statutes and regulations (none of which explicitly address the Association), and industry custom and practice.

1.5 **Board Members**

If the Board has delegated record-keeping to a managing agent, the Association does not require Board Members to maintain any Documents. Board Members in their discretion may dispose of Documents generated by the Association only if the Association has maintained such Documents in the Official Files. However, if Board Members receive Documents relating to the Association, which were not generated by the Association, or not received through the Association, Board Members shall send the originals of such Documents to the designated record-keeper or Association Manager (if any) to be maintained in the Official Files. Documents created by Board members for their own use as a member of the Board of Directors, including but not limited to notes, drafts, emails, summaries, etc. may be Documents of the Association and should not be destroyed by the Board Member until an Association Document is produced and retained by the Association's record-keeper or the Board Member has verified the material is not a Document listed herein unless otherwise provided herein. If there is a managing agent, E-mail discussions among Board members shall be copied to and saved by the Association's manager pursuant to this policy. Except as provided in the Inspection & Copying of Records Policy, No Board Member shall disclose or provide any Document to any Owner outside of the Board of Directors. Directors shall direct Owners to make a formal request to the Association pursuant to its inspection of records policy.

1.6 **Annual Purge of Files**

The Association including its Manager (if any) shall conduct an annual purge of files. The annual purge of files shall be completed within the first quarter of each calendar year.

1.7 **Destruction Procedure**

All Documents to be purged or destroyed pursuant to this Document Retention and Destruction Policy shall be shredded, or permanently deleted electronically, if stored in an electronic format.

1.8 **Reserved**

1.9 **Miscellaneous**

There may be an immediate destruction of copies of any Document, regardless of age, provided that an original is maintained in the Official Files of the Association.

1.10 **Onset of Litigation**

At such time as the Board or the Association has been served with a lawsuit, or if it is reasonably foreseeable that litigation may be imminent, all Documents potentially relevant to the dispute must be preserved notwithstanding anything in this policy to the contrary.

After the Association is advised of the facts of the litigation by legal counsel, all Documents potentially relevant to the dispute shall be deemed "held" until such litigation is concluded and all appeal periods have expired. At the conclusion of the litigation the "hold" period will cease and the time periods provided in the Document Retention and Destruction Guidelines will recommence.

SECTION 2

Definitions

2.1 **Current**

Current means the calendar year in which the Document was created, obtained or received.

2.2 **Document**

Document means any documentary material that is generated or received by the Association in connection with transacting its business, is related to the Association's legal obligations, and is retained for any period of time. The term "Document" includes, among others, writings, drawings, graphs, charts, photographs, tape, disc, audio recordings, microforms, and other electronic documents from which information can be obtained or translated such as electronic mail, voice mail, floppy disks, hard discs and CD ROM. The Documents, as defined in this policy, may encompass more records than those which are available for inspection by Owners pursuant to the Association's Inspection of Records Policy. Not all Documents may be records of the Association as that term is defined in the Inspection of Records Policy and Colorado law, and therefore may not be subject to inspection by Owners.

2.3 **Association Manager**

Association Manager means the Manager of the Association, if any.

2.4 **Official Files**

"Official Files" means the files maintained by the Association.

Legal documents and documents subject to the attorney-client privilege and the work product privilege maintained by the Association's legal counsel are not part of the "Official Files" of the Association.

2.5 **Permanent**

Permanent means that the retention period for that Document is permanent.

2.6 **Termination**

"Term + 4 years" means four years beyond the termination of the relationship, contract or coverage.
